

Center Stage

Today's center consoles are more capable and more versatile than ever before. Designed to fish hard, cruise comfortably, and entertain with ease, these noteworthy models blend performance, innovation, and smart layouts for a refined experience at the helm.

GRADY-WHITE CANYON 456

The Canyon 456 combines serious fishing capability with the comforts of a luxury cruising yacht. Built on Grady-White's proven SeaV² hull, it delivers a smooth, stable ride offshore. Expansive deck space, a refined cabin, and quad outboards create a versatile platform for both fishing and extended cruising. gradywhite.com
