

## NEW BOATS

### GRADY-WHITE 321 COASTAL EXPLORER

GRADY-WHITE RECENTLY unveiled a new model in the versatile Coastal Explorer lineup. The 321 CE features triple-wide lean bar seating with centerline helm station, dual electromechanically folding sport deck, integrated full height glass windshield, aft-facing deluxe mezzanine seating, large well-appointed console with vanity and VacuFlush head and luxury contoured forward console lounge seating. Powered with twin 350 Yamaha engines with Helm Master EX, the 321 CE is ready for offshore runs to the wahoo grounds, local action in the pass for tarpon, and relaxing days made for family cruising. The boat is engineered to accommodate an optional Seakeeper 2 gyroscopic stabilization system. Contact dealer for pricing. [www.gradywhite.com](http://www.gradywhite.com)
